Last remarks

By signing this contract, I declare that:

1. I can fulfil the financial requirement of €1000,-. If you decide to pay all at once, the payment of €1000,-, has to take place before the 25th of January. If you pay in instalments, the deadline for the last instalment is the 25th of May. Not fulfilling the payment in a timely manner will result in a termination of the admission. In this case, the individual on top of the reserve list will be admitted.
2. I am aware that the €1000,- is a price indication.

There is a possibility that the costs turn out to be higher than this estimate. If this is the case, it will be communicated in a timely manner, before the participants are drawn on **December 2nd 2021**. If after the tour the costs turn out to be lower than expected, the excess money will be returned to the participants. This compensation starts at €15,- per person and is limited to €200,- per person. If the trip can't take place because of COVID-19, the payment will be refunded to the best expense possible.

3. I will actively participate in the programme as planned by the Buisco 2022.
4. I will dress properly, as prescribed by the Buisco 2022, for all activities for which this is required.
5. I have answered all the questions in this contract truthfully.
